

Please type or print neatly.

Student(s) Names: _____

* Students may create an entry by themselves or in groups.

School Name*: _____

Home Address: _____

* Must reside in Garland, TX or attend a GISD School.

Grade Level*: _____

* Must be a Kindergarten through twelfth grade student.

Title of Piece: _____

Materials Used:

*Art must be made by student(s). Piece must ONLY be made from materials that are eligible for recycling through the City of Garland's program: cardboard, cartons, paper, glass bottles and jars, plastic containers and jugs, and aluminum, tin, and steel cans. A small amount of fastening materials such as screws, bolts, wire, welding, glue, tape and/or twine may be used to hold the piece together.

Why is recycling important?

How did you make your artwork?

To be eligible, completed entry forms and artwork must be brought to The Atrium at the Granville Arts Center between 11 a.m. - noon on Saturday, April 18 for display at the City's Earth Day celebration.

Awards will be delivered to the schools.

Contact EWS@GarlandTX.gov, 972-205-3421 with questions.
